Dear Parents,

Would you like your child to have specialised tuition in either French or Spanish? The tuition would be in a group of three to five pupils and would last for thirty minutes at a cost of £6 per session .You would need to commit to a six week block of tuition payable in advance at a cost £36.The tuition would take place during the school day but not always at the same time.

This opportunity is available to both complete beginners and pupils who already have some knowledge of the language but want to learn it in more detail .It would be ideal for pupils who would feel more comfortable speaking in the foreign language in a small group, or older pupils who feel they have outgrown the lunch time language club but are still interested in learning the language. The groups will be based on age and previous knowledge of the language.

If you would like your child to participate in this tuition, please return the slip below to the school office by September 9th.

Yours sincerely,

D. A. Neville
