Features					
<ul style="list-style-type: none"> At Early Years, the key knowledge progression document takes reference from the following documentation: Early Years Framework, Development Matters and Birth to 5 Matters 					
<ul style="list-style-type: none"> At Key Stage 1 and 2, the key knowledge progression document takes full account of the programme of study for PSHE education and uses the following strands: <ul style="list-style-type: none"> Health and Wellbeing Relationships Living in the Wider World The above strands have been chosen as they replicate the PSHE Association programme of study. The statements in bold are from the RSE and Health Education statutory guidance The statement about FGM has been moved from Keeping Safe to Safe Relationships as we feel it sits within this strand where private body parts and permission are discussed 					
<ul style="list-style-type: none"> Skills are dependent on specific knowledge. A skill is the capacity to perform or discuss and in order to do this a deep body of knowledge needs to be acquired and retained. 					
<ul style="list-style-type: none"> These knowledge statements should be what pupils retain forever. In other words, this knowledge is within their long-term memory and will be retained. 					
<ul style="list-style-type: none"> When considering pupils' improvement in subject specific vocabulary, pupils could be provided with a knowledge organiser which contains the relevant words used for PSHE for their age group. 					
Early Years Framework					
Early Years	Educational Programme Personal, Social and Emotional Development	Early Learning Goal Self-Regulation	Early Learning Goal Managing Self	Early Learning Goal Building Relationships	
	<p>Children's personal, social and emotional development (PSED) is crucial for children to lead healthy and happy lives, and is fundamental to their cognitive development. Underpinning their personal development are the important attachments that shape their social world. Strong, warm and supportive relationships with adults enable children to learn how to understand their own feelings and those of others. Children should be supported to manage emotions, develop a positive sense of self, set themselves simple goals, have confidence in their own abilities, to persist and wait for what they want and direct attention as EYFS reforms early adopter framework 9 necessary. Through adult modelling and guidance, they will learn how to look after their bodies, including healthy eating, and manage personal needs independently. Through supported interaction with other children they learn how to make good friendships, co-operate and resolve conflicts peaceably. These attributes will provide a secure platform from which children can achieve at school and in later life</p>	<ul style="list-style-type: none"> Show an understanding of their own feelings and those of others, and begin to regulate their behaviour accordingly Set and work towards simple goals, being able to wait for what they want and control their immediate impulses when appropriate Give focused attention to what the teacher says, responding appropriately even when engaged in activity, and show an ability to follow instructions involving several ideas or actions. 	<ul style="list-style-type: none"> Be confident to try new activities and show independence, resilience and perseverance in the face of challenge Explain the reasons for rules, know right from wrong and try to behave accordingly Manage their own basic hygiene and personal needs, including dressing, going to the toilet and understanding the importance of healthy food choices 	<ul style="list-style-type: none"> Work and play cooperatively and take turns with others Form positive attachments to adults and friendships with peers Show sensitivity to their own and to others' needs.
