## **Section A - Policy Introduction & Ethos**

The purpose of this policy is to detail how Peafield Lane Academy ensures that all children and young people enrolled in the school are protected and safeguarded from harm, reflecting current legislation, known best practices, and compliance with relevant government guidance.

This policy applies to all staff, governors, volunteers, and visitors, and outlines the school's commitment to safeguarding and promoting the welfare of children as a core part of its ethos and values. Safeguarding is everyone's responsibility, and this policy sets out the expectations for a whole-school approach to child protection.

This policy is informed by the statutory guidance *Keeping Children Safe in Education (KCSIE) 2025* and *Working Together to Safeguard Children 2023*, which together set out the responsibilities of schools and other agencies in identifying, responding to, and preventing harm to children.

### **Peafield Lane Academy Ethos**

At Peafield Lane Academy, safeguarding is at the heart of everything we do. We are committed to providing a safe, inclusive, and nurturing environment where every child feels valued, respected, and supported. We recognise that children's welfare is paramount and that safeguarding is a golden thread that runs through all aspects of school life – from teaching and learning, to pastoral care, to enrichment opportunities.

We work hard to foster a culture of openness, trust, and transparency, where safeguarding concerns are always taken seriously and responded to appropriately. We believe that the effective safeguarding of children can only be achieved when children are placed at the centre of all decisions and feel confident to share their thoughts, knowing they will be listened to. Every member of staff at Peafield Lane Academy has a role to play in keeping children safe, working closely with families and professionals from other agencies, particularly social workers, to meet the needs of our most vulnerable pupils.

We actively create opportunities to teach children about safeguarding in ways that are age-appropriate and relevant. At Peafield Lane Academy, the voice of the child is embedded across school life – from our School Council and School Parliament to our dedicated Inclusion Team led by the Head Teacher. Children's views are gathered and acted upon through themed safeguarding assemblies, targeted pastoral support, pupil questionnaires, curriculum-based pupil voice activities, and ongoing engagement via Class Dojo. The school also uses the Zones of Regulation to provide daily opportunities for children to indicate how they are feeling without having to initiate a conversation, ensuring staff can identify and respond to concerns quickly and sensitively.

Pupils work alongside senior leaders on curriculum development, including safeguarding, e-safety, mental health, and well-being initiatives. Our curriculum and ethos place children at the centre of all that we do, ensuring that pupil voice shapes the safe and happy environment in which they learn. Through regular PSHE, RSE, computing lessons, and assemblies, children are taught how to raise concerns and seek help, as well as strategies to strengthen their resilience and confidence.

## **Whole School Approach**

Safeguarding and child protection are embedded across the school's policies, procedures, and practices. All staff receive regular training and updates to ensure they understand their roles and responsibilities. The school works in partnership with children, parents/carers, and external agencies to promote a culture of vigilance and proactive safeguarding. Throughout this policy, the term 'whole-school approach' is used to refer to a unified safeguarding strategy across the entire education setting, including colleges.

The following policies contribute to the school's whole-school approach to safeguarding:

- Staff Behaviour Policy/Code of Conduct
- Positive Behaviour Policy
- Anti-Bullying Policy
- Child-on-Child Abuse Policy
- Online Safety Policy
- Safer Recruitment Policy
- Whistleblowing Policy
- Attendance and Absence Policy
- Allegations Management Policy
- PSHE and RSE (Relationships, Sex and Health Education) Policy
- SEND Policy
- Data Protection and Information Sharing Policy
- Educational Visits Policy
- Health and Safety Policy
- First Aid Policy
- Intimate Care Policy
- Low level concerns policy
- Medicines Policy
- Medical Needs Policy
- Mobile Phone Policy for Pupils

Each of these policies is informed by relevant sections of *Keeping Children Safe in Education 2025* and reflects statutory guidance, best practice and the school's safeguarding ethos.

## **Annual Review and Public Availability**

This policy is reviewed, or sooner if required due to changes in legislation or guidance. The review is led by the Head Teacher and approved by the governing body. The policy is made publicly available via the school's website and can be request in alternative formats if needed.

## **Section B - Contextual Safeguarding at Peafield Lane Academy**

Contextual safeguarding recognises that the risks children face are often beyond the control of their families and can occur in a variety of settings such as peer groups, schools, colleges and neighbourhoods. Our school is dedicated to understanding and addressing these wider environmental factors that may pose a threat to the safety and well-being of our students.

At Peafield Lane Academy, we are aware of our main contextual safeguarding issues and use our curriculum to ensure all children are educated about them. These may include, but are not limited to, *child criminal exploitation (CCE), child sexual exploitation (CSE), online harm, radicalisation, and local patterns of domestic abuse or substance misuse*. We work closely with our local safeguarding partners to monitor emerging risks and adapt our provision accordingly.

## Our Commitment

At Peafield Lane Academy, we are committed to proactively identifying and responding to the contextual safeguarding risks that affect our pupils both within and beyond the school environment.

- If the DSL is unavailable, report to the most senior person on site and ensure the DSL is informed later.
- In emergencies, call 999 or make a direct referral to Nottinghamshire MASH — anyone can make a referral.
- Do not delay reporting due to uncertainty — if unsure, speak to the DSL.
- Do not view, copy, or share images in cases involving nudes/semi-nudes.
- Share information only on a need-to-know basis.
- As soon as possible, at the next appropriate time, staff should record the disclosure in writing. This must be done by logging into their CPOMs account and completing the system's prompts and questions to ensure a thorough and accurate record.
- Staff without access to CPOMs (such as supply staff or volunteers) should complete a paper copy of the disclosure record. This must be submitted to the DSL handling the disclosure, who will scan it into CPOMs and attach it to the child's file.
- Report concerns about staff (including supply staff and volunteers) to the Head Teacher (Lois Clarke), or to the Chair of Governors (Diane Wise) if the concern is about the Head Teacher.

### **Examples of concerns include:**

- Signs of abuse, neglect, exploitation, or radicalisation
- Child-on-child abuse, sexual violence, or harassment
- Domestic abuse, forced marriage, FGM, or honour-based abuse
- Online abuse or inappropriate adult communication
- Private fostering arrangements
- Changes in behaviour, attendance, or presentation
- A person who may pose a risk to children living in the same household

## **3. Recording and Escalation Protocols**

All concerns, decisions, and actions must be recorded:

- Record immediately, and by the end of the same working day (including any verbal conversations)
- Use the *school's* secure safeguarding system (CPOMs)
- Include date, time, context, and direct quotes or observations.
- Record facts, not assumptions, and include your full name and role.
- Note non-verbal behaviour and physical indicators (e.g., “bruise on right arm above elbow”).
- Tag child protection files separately from the main pupil file.
- Transfer safeguarding records securely when a pupil moves *school* (within 5 working days) and obtain confirmation of receipt.
- Retain safeguarding records securely until the pupil reaches age 25.

The DSL:

- Monitors records for patterns and ensures appropriate escalation.
- Presses for reconsideration or escalates using NSCP procedures if concerns persist, or outcomes are unclear.
- Oversight and review of safeguarding cases are managed through the CPOMs Planner tool, which provides a centralised overview of all open cases. The DSL team (during Inclusion meetings) uses the planner to track actions, deadlines, and updates for each case, ensuring timely follow-up and accountability. Regular reviews are scheduled to assess progress, identify any additional support needed, and close cases where appropriate. This tracking system enables the school to maintain an up-to-date record of all safeguarding concerns, monitor patterns or trends, and ensure that no case is overlooked.

#### **4. Confidentiality and Consent**

- Information is shared in line with the Information Sharing Advice for Practitioners (DfE), the Data Protection Act 2018, and UK GDPR.
- Consent is not required to share information if a child or adult is at risk of significant or serious harm.
- Parents/carers are usually informed, unless doing so would increase risk.
- All non-routine information sharing is logged appropriately.
- If in doubt, staff should consult the DSL or Deputy DSL.

#### **5. DSL Actions Following a Concern**

The DSL or Deputy DSL will:

- Assess urgency and immediate safety needs.

- Review the child's presentation and known history.
- Inform relevant staff on a need-to-know basis.
- Use appropriate assessment tools (e.g., body maps, contextual safeguarding tools).
- Refer to MASH, Prevent, or Police where necessary.
- Consider early help or internal pastoral support.
- Notify the local authority of private fostering arrangements.
- Follow up referrals within 48 hours and maintain contact with social workers.
- Attend and contribute to strategy meetings, child protection conferences, and core groups.
- Share reports with parents/carers, and where appropriate, the child.
- Document all actions, decisions, and rationales in the safeguarding record.
- Use escalation procedures if concerns are not addressed or outcomes are unclear.

### **FGM Mandatory Reporting:**

In known cases of Female Genital Mutilation (FGM), teachers must report directly to the police via 101 by the end of the next working day, in addition to informing the DSL.

## **6. Support for Staff and Pupils**

We recognise that reporting safeguarding concerns can be distressing. Support is available through:

### **Support for Staff:**

- Named link staff for safeguarding cases who act as a point of contact and support.
- Access to helplines, counselling, and peer support, including referral to external services where appropriate.
- Time-out or supervision opportunities for staff affected by disclosures or safeguarding processes.
- Confidentiality and respectful handling of sensitive information to protect staff wellbeing.
- Whistleblowing and complaints procedures to raise concerns about unsafe practice or safeguarding failures.
- Staff wellbeing and supervision sessions, where available, to reflect on safeguarding practice and emotional impact.

### **Support for Pupils:**

- Pastoral support from trusted adults.
- Safe spaces within *school* where pupils can go if they feel overwhelmed or need time out.

- Regular check-ins for pupils involved in safeguarding concerns, including those subject to child protection or early help plans.
- Empowerment through education, including RSHE and PSHE lessons that build resilience, self-esteem, and understanding of safeguarding risks.

Staff should speak to the DSL or Head Teacher if they feel a pupil requires additional support following a safeguarding concern.

## **F - Supporting Pupils**

At Peafield Lane Academy, we are committed to ensuring that all pupils feel safe, supported, and able to thrive. Safeguarding is not only about protecting children from deliberate harm but also about creating a nurturing environment in which they are valued, respected, and encouraged to achieve their full potential.

We recognise that some children may require additional support to stay safe, and we are dedicated to identifying and addressing these needs at the earliest opportunity. Our approach is informed by *Keeping Children Safe in Education (KCSIE) 2025*, *Working Together to Safeguard Children 2023*, and the *Nottinghamshire Safeguarding Children Partnership (NSCP)* procedures.

### **1. Whole-School Commitment to Support**

- We aim to create a caring, positive, safe, and stimulating environment which promotes the social, physical, emotional, and moral development of all pupils.
- We ensure pupils know they can talk to trusted adults and that their voices will be heard and acted upon.
- Safeguarding and pupil wellbeing are embedded throughout our curriculum, pastoral support, and wider school activities.
- Support staff present during unstructured times.
- Themed assemblies.
- Visible SLT presence at the beginning, end, and throughout the day.
- Mental Health Lead in place.
- Weekly whole-school safeguarding briefings.
- Weekly phase meetings with safeguarding as a standard agenda item

### **2. Early Help and Pastoral Support**

- We are committed to the principles of **early identification and intervention**, in line with the *Nottinghamshire Pathway to Provision*.
- Staff are trained to recognise when children may benefit from early help and to raise these concerns with the DSL.

- The DSL will consider early help assessments and referrals to external services, working closely with families to provide coordinated support.
- We make use of local initiatives such as **Operation Encompass**, ensuring staff are informed of incidents of domestic abuse and can provide timely support in school.

### 3. Supporting Vulnerable Groups

We recognise that some pupils are more vulnerable to safeguarding concerns. This includes, but is not limited to:

- Children with special educational needs and disabilities (SEND)
- Children with social, emotional, or mental health needs
- Children in care and previously in care
- Young carers
- Children missing education or persistently absent
- Children affected by domestic abuse, substance misuse, or parental mental health difficulties
- Children at risk of criminal or sexual exploitation (CCE/CSE), radicalisation, or serious youth violence
- Children from minoritised groups who may face additional barriers or discrimination

We will make reasonable adjustments and provide targeted interventions to meet the needs of pupils with SEND or SEMH. Support may include in-school provision, referrals to early help, or multi-agency working through the NSCP framework. The Behaviour Policy includes an appendix outlining specific adaptations for these pupils, ensuring that approaches are tailored to individual needs. Some staff members are trained in de-escalation strategies and physical intervention, which are only used as a last resort. SEND Support Plans clearly identify strategies to help children succeed, while Individual Risk Assessments are implemented for pupils who may be at risk of harm to themselves or others.

### 4. Mental Health and Wellbeing

- All staff are trained to be alert to the links between safeguarding and mental health.
- Where a child is experiencing mental health difficulties, we will work with parents, the school's **Senior Mental Health Lead**, health professionals, and external services such as CAMHS or MHST.
- We promote mental health through a whole-school approach, including wellbeing initiatives, safe spaces in school, and embedding resilience and coping strategies within the curriculum

### 5. Use of Restrictive Practices

Restrictive practices are only used in exceptional circumstances to prevent harm and must be:

- Proportionate, reasonable, and necessary
- In line with the school's Behaviour Policy
- Carried out by staff trained in approved techniques
- Documented thoroughly, including the rationale, actions taken, and outcomes
- Reported to parents/carers and, where appropriate, safeguarding partners

Restrictive practices must never be used as punishment or to enforce compliance. We prioritise de-escalation, pupil dignity, and emotional regulation. Any use of physical intervention is reviewed by the DSL and senior leadership to ensure safeguarding standards are upheld.

## **6. Trauma-Informed and Inclusive Practice**

- We adopt a trauma-informed approach, recognising the impact of adverse childhood experiences (ACEs) on behaviour, relationships, and learning.
- Staff are supported to respond with sensitivity and consistency, fostering trusting relationships and safe routines.
- We are committed to equality and inclusion, actively challenging discrimination and ensuring equity of access to support for all pupils.

## **7. Alternative Provision and Education Outside of School**

Where a pupil is placed in alternative provision or educated off-site, we:

- Retain overall safeguarding responsibility and maintain oversight of the pupil's welfare and progress.
- Share relevant safeguarding information with the provider in advance of placement.
- Seek and expect written assurance that the provider has effective safeguarding policies and procedures in place.
- Monitor attendance, progress, and wellbeing through regular contact with both the provider and the pupil.

The school will agree any Alternative Provision in partnership with the Flying High Partnership, parents/carers, and relevant external agencies. As part of due diligence, the school will complete the FHP Alternative Provision Checklist and the Alternative Provision Transition Plan, obtaining written confirmation from the provider that all appropriate safeguarding checks have been carried out. Senior school staff, including members of the safeguarding team, will conduct regular visits to monitor the quality of provision and ensure that effective safeguarding arrangements are in place.

## **8. Ongoing Monitoring and Transitions**

- Safeguarding records are monitored to identify emerging patterns of concern.

- Individual support plans are regularly reviewed with pupils, parents/carers, and professionals.
- When pupils move schools, safeguarding records are transferred securely and within five working days, in line with NSCP expectations.

## 9. Empowering Pupils

We are committed to equipping pupils with the knowledge and confidence to safeguard themselves by:

- Delivering RSHE/PSHE programmes that cover online safety, healthy relationships, exploitation, and resilience.
- Ensuring pupils know about support services such as Childline, NSPCC, and local safeguarding agencies.
- Providing child-friendly safeguarding leaflets
- Providing opportunities to tell their teacher how they're feeling through Zones of Regulation
- Displaying child-friendly safeguarding posters
- Embedding opportunities for pupil voice, such as *school* councils, pupil surveys, feedback forums, to shape our safeguarding culture.

## **Section G - Safeguarding in the Curriculum**

At Peafield Lane Academy, we believe safeguarding is most effective when it is **embedded across the whole curriculum** and school life. Our aim is to equip pupils with the knowledge, skills, and confidence to recognise risk, seek help, and make safe, informed choices in all aspects of their lives.

### 1. Whole-School Approach to Preventative Education

- Safeguarding education is delivered through a **planned, progressive, and age-appropriate programme** that reflects our school's values and ethos.
- The school's curriculum principles ensure that the curriculum is tailored to the specific needs of our children. Safeguarding is woven throughout all areas of learning, and we actively capitalise on opportunities to teach safeguarding in meaningful and relevant ways.
- Learning is timetabled and reinforced across the wider curriculum and through the wider school culture.
- Delivery includes:
  - RSHE (Relationships, Sex and Health Education)
  - PSHE (Personal, Social, Health and Economic Education)
  - Computing and Online Safety

- Assemblies, themed days/weeks, and external speakers
- Cross-curricular links (e.g., English, Drama, Citizenship, PE)
- Our curriculum promotes a culture of zero tolerance towards abuse, discrimination, harassment, and violence of any kind.

## **2. Key Topics Covered**

We ensure pupils are educated on a broad range of safeguarding issues, using evidence-based resources and adapting content to reflect local safeguarding priorities.

Topics include (but are not limited to):

- Bullying (including cyberbullying and prejudice-based bullying)
- Online safety, digital resilience, and responsible use of technology
- Child-on-child abuse, sexual harassment, and harmful sexual behaviour
- Domestic abuse and healthy relationships
- Consent, bodily autonomy, and respect for boundaries
- Exploitation (Child Sexual Exploitation, Child Criminal Exploitation, county lines)
- Radicalisation and extremism
- Honour-based abuse, including FGM and forced marriage
- Mental health, resilience, and emotional wellbeing
- Substance misuse and risky behaviours
- Road, fire, and water safety
- Knife crime and serious youth violence

## **3. Empowering Pupils**

We aim to create an environment where pupils:

- Feel safe to ask questions, challenge unsafe behaviours, and express concerns without fear of stigma.
- Understand their rights, responsibilities, and the importance of respecting others.
- Know how to access help, both in school and externally (e.g., Childline, NSPCC, Kooth).
- Recognise signs of abuse, exploitation, and coercion.
- Develop resilience, empathy, critical thinking, and self-esteem.

Pupil voice is central to our approach. We actively involve pupils in shaping, evaluating, and improving our safeguarding curriculum through various feedback mechanisms.

#### **4. Staff Responsibilities**

All staff are expected to:

- Reinforce safeguarding messages consistently across subjects and interactions.
- Be alert to safeguarding concerns or disclosures arising during lessons.
- Use age-appropriate, inclusive, and accessible language and resources.
- Adapt delivery to meet the needs of pupils with SEND and additional vulnerabilities.
- Share any concerns promptly with the Designated Safeguarding Lead (DSL).

Staff receive regular training and updates to ensure they are confident in delivering sensitive content and responding appropriately.

#### **5. Curriculum Review and Evaluation**

Our safeguarding curriculum is reviewed annually and informed by:

- Pupil feedback and engagement.
- Local and national safeguarding trends and emerging risks.
- Updates to statutory guidance (e.g., *Keeping Children Safe in Education 2025*, *Relationships, Sex and Health Education statutory guidance*).
- Input from the NSCP, MASH, Operation Encompass, and other safeguarding partners.

We are committed to continuous improvement, ensuring our safeguarding curriculum remains relevant, inclusive, and impactful, preparing pupils for life in modern Britain.

### **Section H - Online Safety**

At Peafield Lane Academy, we recognise that safeguarding children includes protecting them from risks associated with digital technologies. Online safety is a core part of our safeguarding strategy and is embedded across our curriculum, policies, and school culture.

We are committed to ensuring that pupils, staff, and visitors use technology safely and responsibly, and that our systems are robust enough to prevent access to harmful content while enabling effective learning.

#### **1. Whole-School Approach to Online Safety**

Online safety is addressed through:

- A dedicated Online Safety Policy aligned with DfE guidance and the Filtering and Monitoring Standards (2023)

- Integration into RSHE, PSHE, Computing, and wider curriculum
- Regular staff training and updates on emerging risks
- Engagement with parents/carers to promote safe use of technology at home
- Clear procedures for reporting online concerns, including cyberbullying, grooming, and harmful content

## **2. Filtering and Monitoring Systems**

We use appropriate filtering and monitoring systems to:

- Block access to harmful or inappropriate content
- Monitor user activity for signs of risk or misuse
- Alert designated staff to potential safeguarding concerns

These systems are reviewed at least annually and are proportionate to the age, needs, and vulnerabilities of our pupils. We follow the DfE's Digital and Technology Standards and ensure:

- Roles and responsibilities for managing filtering and monitoring are clearly defined
- Systems do not unreasonably impact teaching and learning
- Staff are trained to understand and respond to alerts appropriately

At Peafield Lane, all internet use is filtered and monitored using iBoss software, provided by L.E.A.D IT. This school-specific solution automatically detects whether a user is a staff member or student and applies the appropriate level of filtering, with unknown users defaulting to the stricter student filter. iBoss is fully PREVENT compliant, using the Internet Watch Foundation (IWF) and Counter-Terrorism Internet Referral Unit (CTIRU) blocklists, and follows UK Safer Internet Centre (UKSIC) guidelines. Its databases are continually updated, and staff can report concerns to L.E.A.D IT for additional filtering adjustments. Alerts for blocked content are sent to the school's Designated Safeguarding Leads, with incidents logged on CPOMS and reviewed during fortnightly Inclusion meetings. The school also uses the 360safe Online Safety Self-Review Tool to support ongoing monitoring and improvement.

## **3. Risks Addressed**

We educate and safeguard pupils against a range of online risks, including:

- Cyberbullying and online harassment
- Online grooming, exploitation, and radicalisation
- Exposure to pornography, violent content, or hate speech
- Sharing of nudes/semi-nudes and youth-produced sexual imagery
- Online challenges, hoaxes, and misinformation
- Use of generative AI, deepfakes, and manipulated media

- Access via mobile networks (e.g., 4G/5G) bypassing filters

Staff are trained to recognise signs of online harm and respond in line with safeguarding procedures.

#### **4. Curriculum Integration**

Pupils are taught to:

- Recognise online risks and unsafe behaviours
- Understand privacy, consent, and digital footprints
- Report concerns and seek help
- Use technology responsibly and respectfully
- Navigate misinformation, disinformation, and conspiracy theories
- Understand the risks and dangers associated with generative AI

We use age-appropriate resources and adapt content to reflect local safeguarding concerns and pupil needs.

#### **5. Staff Responsibilities**

All staff must:

- Supervise pupil use of technology appropriately
- Report breaches in filtering or monitoring systems
- Reinforce online safety messages across the curriculum
- Be aware of the school's mobile phone and smart technology policy
- Understand their role in safeguarding pupils online, including during remote learning

#### **6. Remote Learning and Home Use**

Where pupils access learning remotely, we ensure:

- Platforms used are secure and age-appropriate
- Pupils and parents receive guidance on safe use
- Staff maintain safeguarding oversight and report concerns

We work with families to promote safe online habits and provide support where risks are identified.

### **Section I – Working with Parents/Carers**

At Peafield Lane Academy, we recognise that safeguarding is most effective when schools work in partnership with parents and carers. We are committed to building strong, transparent relationships with families, based on mutual trust, respect, and shared responsibility for keeping children safe.

## **1. Communication and Transparency**

We ensure that parents/carers:

- Are informed about the school's safeguarding responsibilities and procedures
- Understand how concerns are managed and when referrals may be made
- Know who to contact if they have safeguarding concerns
- Can access the school's/college's Child Protection Policy and related safeguarding documents via the school website or on request

We aim to communicate in a way that is clear, accessible, and sensitive to individual needs, including providing information in alternative formats or languages where required.

## **2. Consent and Information Sharing**

We follow the principles of the Data Protection Act 2018, UK GDPR, and Information Sharing Advice for Practitioners (DfE). While we seek parental consent for information sharing where appropriate, we will share information without consent if:

- A child is at risk of significant harm
- Seeking consent may increase the risk to the child
- There is a statutory duty to share information

Staff are trained to understand the boundaries of confidentiality and the importance of timely, lawful information sharing.

## **3. Supporting Families**

We recognise that families may face challenges that impact their ability to safeguard their children. We offer support through:

- Early Help referrals and signposting to local services
- Pastoral support and family liaison staff
- Access to parenting programmes and workshops
- Referrals to external agencies (e.g., mental health, housing, domestic abuse support)

We work collaboratively with families to identify needs, agree support plans, and monitor progress.

#### **4. Involving Parents in Safeguarding Education**

We encourage parents/carers to engage with safeguarding education by:

- Sharing online safety guidance and resources
- Providing updates on safeguarding topics via newsletters, workshops, and school events
- Promoting awareness of risks such as exploitation, radicalisation, and harmful online content
- Encouraging open conversations at home about safety and wellbeing

We aim to empower families to reinforce safeguarding messages and support their children's development.

#### **5. Respecting the Child's Voice**

Where appropriate, we consider the child's views when deciding whether to inform parents/carers about a safeguarding concern. This is particularly relevant where:

- The child is mature enough to make informed decisions
- Informing parents may increase risk or distress
- The child has expressed a clear preference

Decisions are made in consultation with the DSL and, where necessary, safeguarding partners.

### **Section J - Children in Care and Previously in Care**

At Peafield Lane Academy, we recognise that Children in Care (CiC) and those previously in care may face additional barriers to learning, wellbeing, and safety. We are committed to promoting their educational achievement, safeguarding their welfare, and ensuring they feel valued and supported throughout their time in our school.

#### **1. Designated Teacher Responsibilities**

We appoint a Designated Teacher for Children in Care, who is responsible for:

- Acting as a key point of contact for the Virtual School
- Attending and contributing to Personal Education Plan (PEP) reviews
- Ensuring that CiC pupils receive appropriate support, interventions, and access to enrichment opportunities
- Monitoring progress, attendance, and wellbeing
- Liaising with carers, social workers, and other professionals

The Designated Teacher works closely with the Designated Safeguarding Lead (DSL) to ensure a coordinated approach to safeguarding and education.

The Designated Teacher, who is also the SENDCo, is a member of the DSL Team. The DSL Team meets fortnightly as part of the Inclusion Team to review caseloads and share best practice.

## **2. Children Previously in Care**

We recognise that children who were previously looked after may continue to experience vulnerability. These pupils are supported through:

- Pastoral care and targeted interventions
- Access to mental health and wellbeing support
- Inclusion in safeguarding monitoring and review processes
- Continued liaison with the Virtual School where appropriate

Staff are made aware of the potential challenges faced by previously looked-after children and are trained to respond with sensitivity and understanding.

## **3. Private Fostering Arrangements**

A private fostering arrangement occurs when a child under 16 (or under 18 if disabled) is cared for by someone who is not a parent or close relative for 28 days or more. We have a statutory duty to report any known or suspected private fostering arrangements to the local authority.

Staff must:

- Notify the DSL if they become aware of a private fostering arrangement
- Support the DSL in liaising with the family and confirming whether the local authority has been informed
- Ensure that safeguarding procedures are followed and that the child's welfare is prioritised

We take steps during admission to verify the relationship between the child and the adults registering them.

## **4. Kinship Care Arrangements**

Kinship care refers to children being raised by relatives or close family friends. These arrangements may be informal or formalised through legal orders. Schools must:

- Identify and support children in kinship care, including those not known to the local authority.
- Be aware of the local authority's published *Kinship Care offer* and signpost carers to relevant support.
- Liaise with the Virtual School Head to promote educational outcomes for children in kinship care.

- Ensure staff understand the potential vulnerabilities and safeguarding needs of children in kinship arrangements.

#### **4. Multi-Agency Working**

We work closely with Virtual Schools, Children's Social Care, Health and mental health services, Carers and families to ensure that CiC and previously looked-after children receive the support they need to thrive. We contribute to multi-agency plans and ensure that safeguarding concerns are addressed promptly and effectively.

### **Section K - Particularly Vulnerable Groups**

At Peafield Lane Academy, we recognise that some children and young people may be particularly vulnerable to abuse, neglect, exploitation, or harm due to their individual circumstances, characteristics, or lived experiences. We are committed to identifying these pupils early, providing tailored support, and ensuring that safeguarding arrangements reflect their specific needs.

#### **1. Identification and Monitoring**

We actively monitor and support pupils who may be vulnerable due to factors including (but not limited to):

- Special Educational Needs and Disabilities (SEND)
- Mental health needs
- Young carers
- Children in care or previously in care
- Children with a social worker or history of social care involvement
- Children affected by domestic abuse, parental substance misuse, or mental health
- Children at risk of exploitation (CSE, CCE, county lines)
- Children at risk of radicalisation or extremism
- Children from minority ethnic backgrounds or with protected characteristics
- Children who are LGBTQ+ or exploring their identity
- Children who are privately fostered
- Children missing education or frequently absent
- Children at risk of serious violence or involved in gang activity

Staff are trained to recognise signs of vulnerability and report concerns promptly to the DSL. We use safeguarding records, attendance data, behaviour logs, and pupil voice to identify patterns and respond proactively.

## **2. Reasonable Adjustments and Positive Action**

We make reasonable adjustments to ensure that pupils with protected characteristics or additional needs are safeguarded effectively. This includes:

- Differentiated safeguarding education
- Accessible reporting systems
- Tailored pastoral support
- Positive action to address disadvantage or discrimination
- Inclusive curriculum content and representation

We promote a culture of respect, equity, and inclusion, and challenge all forms of prejudice-based bullying or harassment.

## **3. SEND and Communication Needs**

Children with SEND may face barriers to recognising or reporting abuse. We ensure:

- Staff are trained to understand SEND-specific safeguarding risks
- Communication methods are adapted to meet individual needs
- Additional pastoral support is available
- External agencies (e.g. Learning Support, EHCP teams) are involved where appropriate

We recognise that challenging behaviour may be a sign of distress or unmet need and respond accordingly.

## **4. Specific Safeguarding Risks**

We are alert to specific safeguarding risks that may disproportionately affect vulnerable groups, including:

- Female Genital Mutilation (FGM): Staff are aware of the mandatory reporting duty and indicators of risk.
- Forced Marriage and Honour-Based Abuse: We educate pupils and staff on recognising coercion and cultural pressures.
- Child Sexual Exploitation (CSE) and Child Criminal Exploitation (CCE): We work with external agencies to identify and support children at risk.
- Radicalisation and Extremism: We fulfil our Prevent Duty obligations through training, curriculum, and referral pathways.
- Serious Youth Violence and Knife Crime: We engage with community partners and police to address local concerns.

- Sexual Abuse and Grooming: Staff are trained to identify signs of manipulation, distress, and inappropriate relationships, and respond swiftly and sensitively.

## **5. Multi-Agency Collaboration**

We work closely with safeguarding partners to support vulnerable pupils, including:

- Children's Social Care
- Health and mental health services
- Youth justice and early help teams
- Domestic abuse and exploitation services
- Prevent and Channel teams

We contribute to multi-agency plans and ensure that pupils receive coordinated, timely support.

## **Section L - Prevention in the Curriculum**

At Peafield Lane Academy, we recognise that safeguarding is most effective when it is proactive, preventative, and embedded across the curriculum. We are committed to preparing pupils for life in modern Britain by equipping them with the knowledge, skills, and confidence to identify risk, make safe choices, and seek help when needed.

### **1. Preventative Education Strategy**

We adopt a whole-school approach to preventative safeguarding education, which includes:

- A planned programme of RSHE and PSHE that is age-appropriate, inclusive, and accessible to all pupils
- Integration of safeguarding themes across subjects such as Computing, Citizenship, English, and Drama
- Regular assemblies, workshops, and themed events focused on safety, wellbeing, and resilience
- Use of evidence-based resources and input from external agencies (e.g. NSPCC, Police, Prevent Team)

Our curriculum reflects the statutory expectations outlined in KCSIE 2025, including the promotion of a culture of zero tolerance for abuse, harassment, and discrimination.

### **2. Key Topics Covered**

Pupils are taught to:

- Recognise and manage risks in different contexts (online, peer relationships, public spaces)

- Understand consent, boundaries, and bodily autonomy
- Identify and respond to bullying, including cyberbullying and prejudice-based bullying
- Navigate online safety, including risks from AI, misinformation, and using critical thinking skills
- Understand the law around sharing nudes/semi-nudes and youth-produced sexual imagery
- Recognise signs of grooming, exploitation, and radicalisation
- Develop healthy relationships and challenge harmful behaviours
- Understand the impact of domestic abuse and how to seek help
- Resist peer pressure and make informed decisions
- Know how and where to report concerns

### **3. Curriculum Adaptation and Inclusion**

We ensure that safeguarding education is:

- Differentiated to meet the needs of pupils with SEND and other vulnerabilities
- Responsive to local safeguarding concerns and emerging risks
- Inclusive of pupils with protected characteristics, with reasonable adjustments made where needed
- Reviewed annually to ensure relevance, impact, and alignment with statutory guidance

Pupils are actively involved in shaping the curriculum through feedback, pupil voice activities, and consultation.

### **4. Staff Responsibilities**

All staff are expected to:

- Reinforce safeguarding messages across the curriculum
- Create safe spaces for discussion and disclosure
- Be alert to safeguarding indicators during lessons
- Liaise with the DSL if concerns arise during curriculum delivery
- Ensure that content is delivered sensitively and appropriately

Staff receive regular training to support effective delivery of preventative education.

## **Section M - Child-on-Child Abuse and Harmful Sexual Behaviour**

At Peafield Lane Academy, we recognise that children can be both victims and perpetrators of abuse. We are committed to preventing, identifying, and responding to all forms of **child-on-child abuse**, including harmful sexual behaviour (HSB), in line with statutory guidance and local safeguarding procedures.

We adopt a zero-tolerance approach to abuse and harassment between children and ensure that all incidents are taken seriously, investigated appropriately, and responded to with care and professionalism.

## 1. Definitions and Scope

Child-on-child abuse may include:

- Physical abuse (e.g. hitting, kicking, biting)
- Bullying (including cyberbullying and prejudice-based bullying)
- Sexual violence (e.g. rape, assault by penetration)
- Sexual harassment (e.g. sexual comments, jokes, online harassment)

Harmful sexual behaviour may be developmentally inappropriate, be coercive, abusive, or exploitative. It can occur online or offline and may be perpetrated by individuals or groups, directed at peers, younger children or even adults.

## 2. Prevention and Education

We take a proactive approach to preventing child-on-child abuse through:

- A robust RSHE and PSHE curriculum that teaches consent, boundaries, respect, and healthy relationships
- Online safety education, including risks from mobile networks and AI-generated content
- Assemblies, workshops, and pupil-led initiatives
- Staff training on recognising and responding to HSB and child-on-child abuse
- Clear behaviour policies and safeguarding procedures

We promote a culture where pupils feel safe to report concerns and understand that abuse is never acceptable.

### **3. Reporting and Responding to Incidents**

All staff must report concerns about child-on-child abuse to the DSL immediately. The DSL will:

- Assess the nature and severity of the incident
- Consider the wishes and needs of the victim
- Take appropriate safeguarding action, including referral to MASH or the police if necessary
- Inform and involve parents/carers unless doing so would increase risk
- Record all actions, decisions, and outcomes in the safeguarding system

Victims are supported to feel safe, heard, and respected. Perpetrators are also supported, with consideration given to underlying needs or trauma.

### **4. Supporting Pupils**

Support for victims may include:

- Pastoral care and safe spaces
- Access to counselling or therapeutic services
- Regular check-ins and trusted adult relationships
- Safety planning and adjustments to routines

Support for perpetrators may include:

- Behaviour interventions and restorative approaches
- Referral to external services (e.g. CAMHS, youth offending)
- Education around consent, boundaries, and respectful behaviour

We recognise that both victims and perpetrators may require safeguarding support and that early intervention is key to preventing escalation.

### **5. Multi-Agency Working and Resources**

We work closely with safeguarding partners to address child-on-child abuse, including:

- Nottinghamshire MASH
- Police and youth justice services
- NSPCC and Stop It Now
- Lucy Faithfull Foundation
- Nottinghamshire Local Authority and other relevant safeguarding partners

We use tools such as the HSB Toolkit, Neglect Toolkit, and Contextual Safeguarding Self-Assessment to inform our practice.

## **Section N - Allegation Against Staff**

At Peafield Lane Academy, we take all allegations and concerns about staff conduct seriously. We are committed to maintaining a safeguarding culture where concerns are identified early, reported appropriately, and managed in line with statutory guidance and local procedures.

This section applies to all staff, including supply staff, volunteers, contractors, and visitors working with children.

### **1. Managing Allegations**

We follow the procedures outlined in Part Four of Keeping Children Safe in Education (KCSIE) 2025 and the Nottinghamshire Safeguarding Children Partnership (NSCP) protocols.

An allegation may relate to a person who works with children and has:

- Behaved in a way that has harmed a child or may have harmed a child
- Possibly committed a criminal offence against or related to a child
- Behaved towards a child in a way that indicates they may pose a risk of harm
- Behaved in a way that indicates they may not be suitable to work with children

All allegations must be reported immediately to the Head Teacher.

If the allegation concerns the Head Teacher, it must be reported to the Chair of Governors who will act as the Case Manager. The chair must ensure the Local Authority Designated Officer (LADO) is informed within one working day and follow all statutory procedures to safeguard pupils and ensure a fair, impartial investigation.

Further support is provided to the DSL Team by the FHP Safeguarding Leader and the wider FHP Safeguarding Team. Where an investigation is required, the Investigation Lead will liaise closely with the FHP Safeguarding Lead, the FHP Safeguarding Team, and the FHP HR Team to ensure a thorough and coordinated response. The Governor responsible for Managing Allegations will work with the FHP Deputy CEO/Whistleblowing Officer in cases such as an allegation against the Head Teacher and will have undertaken appropriate Managing Allegations training.

### **2. Role of the Case Manager and LADO**

The Case Manager (usually the Head Teacher or Chair of Governors) is responsible for:

- Liaising with the LADO
- Ensuring the allegation is investigated promptly and fairly
- Coordinating with police and children's social care where necessary
- Ensuring the safety and welfare of the child

- Supporting the member of staff subject to the allegation

The LADO provides oversight, advice, and guidance throughout the process and ensures consistency and timeliness.

### **3. Low-Level Concerns**

A low-level concern is any concern that does not meet the harm threshold but may indicate that an adult is acting in a way that is inconsistent with the setting's Code of Conduct.

Examples include:

- Being overly familiar with pupils
- Using inappropriate language
- Failing to maintain professional boundaries

All low-level concerns must be reported to the Head Teacher and recorded securely. Patterns of behaviour are monitored, and concerns are escalated if necessary.

We promote a culture where staff feel confident to report concerns without fear of reprisal.

### **4. Whistleblowing**

We encourage staff to raise concerns about poor or unsafe practice through our Whistleblowing Policy. This includes concerns about:

- Safeguarding failures
- Unsafe behaviour by colleagues
- Inadequate safeguarding procedures

Staff can report concerns internally or contact the NSPCC Whistleblowing Helpline:

Tel: 0800 028 0285 or email: [help@nspcc.org.uk](mailto:help@nspcc.org.uk)

Whistleblowers are protected under the Public Interest Disclosure Act and will not suffer detriment for raising genuine concerns.

### **5. Safeguarding Culture**

We are committed to fostering a safeguarding culture that includes:

- Clear expectations for staff behaviour (Code of Conduct)
- Regular safeguarding training and updates
- Open dialogue and reflective practice
- Support for staff involved in safeguarding processes
- Transparent and fair management of allegations

Safeguarding is everyone's responsibility, and we expect all staff to uphold the highest standards of professional conduct.

## **Section O – Professional Development and Training**

At Peafield Lane Academy, we recognise that safeguarding is most effective when all staff are confident, knowledgeable, and up to date with current guidance and best practice. We are committed to ensuring that all staff, governors, and volunteers receive appropriate safeguarding training and ongoing professional development.

- Evaluation of training impact and feedback

This register informs the annual safeguarding report to governors and helps identify gaps or future training needs.

### **5. Culture of Learning and Reflection**

- Continuous professional development
- Reflective practice and peer learning
- Openness to new guidance and local learning reviews
- Engagement with safeguarding partners and external expertise

Staff are encouraged to contribute to the development of safeguarding practice and share insights from training.

## **Section P - Identification for Visitors**

At Peafield Lane Academy, we are committed to ensuring that all visitors to our site are appropriately identified, vetted, and supervised in line with safeguarding expectations. We recognise that visiting professionals, contractors, and volunteers may have access to children and must therefore meet the same safeguarding standards as school staff.

### **1. Expectations for Visitors**

All visitors must:

- Report to the main reception on arrival
- Present official photographic ID and, where applicable, evidence of DBS clearance
- Sign in using the setting's visitor management system

Visitors without appropriate ID or clearance may be refused entry or restricted to non-child-facing areas.

### **2. DBS Verification and Nottinghamshire DBS Letter Process**

Where visitors are from external organisations (e.g. NHS, social care, educational services), we follow the Nottinghamshire DBS Letter Process, which provides written confirmation from the employing organisation that:

- The visitor has undergone appropriate DBS checks
- Safeguarding procedures have been followed
- The visitor is suitable to work with children

This letter is updated annually and retained by the school for reference. Visitors from Nottinghamshire County Council or other approved agencies are expected to carry their organisation ID and be listed on the DBS verification letter.

### **3. Visiting Professionals and Contractors**

Professionals working directly with pupils (e.g. therapists, social workers, peripatetic teachers) must:

- Be expected and pre-booked by the setting
- Have safeguarding clearance confirmed prior to arrival
- Be briefed on the school's safeguarding procedures, including how to report concerns

Contractors working during school hours must:

- Be risk-assessed for safeguarding impact
- Be supervised if not DBS-cleared
- Avoid unsupervised contact with pupils

#### **4. Volunteers and Regular Visitors**

Volunteers who work regularly with children are subject to:

- Enhanced DBS checks
- Safeguarding induction and training
- Ongoing supervision and review

Occasional volunteers may be supervised and risk-assessed depending on the nature of their role.

#### **5. Safeguarding Responsibilities**

All visitors are expected to:

- Follow the school's safeguarding procedures
- Report any concerns immediately to the Designated Safeguarding Lead (DSL)
- Maintain professional boundaries and confidentiality

Safeguarding information is displayed prominently in reception and staff areas, including contact details for the DSL and deputies.

# Guidance for Using Body Maps to Record Observations of Physical Injury

Where appropriate, **medical assistance should be sought without delay.**

**Body maps** are a tool to help staff accurately document and illustrate visible signs of harm or physical injury. They should be used in conjunction with the school's safeguarding recording procedures.

- Always use a **black ink pen** (not pencil), and **do not use correction fluid or erasers.**
- **Do not remove clothing** to examine injuries unless the area is already exposed due to treatment or the child's clothing naturally allows visibility.
- **Staff must not take photographs** of any injuries or marks on a child's body under any circumstances. Doing so may result in the staff member being subject to **managing allegations procedures.** Use the body map provided to record observations in line with this guidance.
- **All concerns must be reported and recorded immediately** to the appropriate safeguarding services, such as the **Multi-Agency Safeguarding Hub (MASH)** or the child's allocated **social worker** if the case is already open to children's social care.

When recording an injury, aim to include the following details for each mark observed (e.g. bruises, cuts, swelling, burns, scalds, lacerations):

- **Exact location** on the body (e.g. upper outer arm, left cheek)
- **Size** of the injury (in centimetres or inches)
- **Shape** of the injury (e.g. round, linear, irregular)
- **Colour** of the injury (note if multiple colours are present)
- Whether the **skin is broken**
- Presence of **swelling**, either at the site or elsewhere
- Any **scabbing, blistering, or bleeding**
- Whether the injury appears **clean or contaminated** (e.g. grit, fluff)
- Any **restriction in mobility** due to the injury
- Whether the site feels **warm to the touch**
- Whether the child appears **feverish or in pain**
- Any changes in the child's **posture or body movement**

The **date and time** of the observation must be clearly recorded, along with the **name and role** of the person completing the record. Additional comments may be added where relevant.

If **First Aid** is administered, this should be recorded appropriately.
